

HOME SLICE

Fee Fee La FANTASTIC

Fee Fee La Fou HQ, what can I say, this is a neon dream den. Snazzy colours and patterns ceiling to floor, a wonderful selection of home wares, gifts, prints and jewels, along with the biggest smile in East London from the lovely creator Fee, you can not fail to be instantly cheered up and inspired by a visit.

Home Slice is therefore over the rainbow coloured moon to be sat inside, with such good company from other independent inspiring designers, such as Donna Wilson, Rob Ryan, Red Brick accessories and soooo many more.
