However, if I'm not too hungover then I get up bright and early for the **Princess May Car Boot Sale** in Stoke Newington (Princess May Rd, London N16 8DF, thelondoncarbootco.com), it's a treasure-trove of bric-a-brac and wardrobe gems, you have to be quick though as the bargain-hunters come out in force! I also love **Beyond Retro, above** just up the road (92 - 100 Stoke Newington Rd, London, N16 7XB, 020 7923 2277, beyondretro.com), it's my go-to for vintage bargains, plus their window displays are something else!

For something totally different I pay **Fee Fee La Fou, above** (6 Bradbury St, London, N16 8JN, feefeelafoouenterprises.com) a visit, a curiosity shop filled with lovely bits from designers and artists, stocking everything from Aesop to Fred Butler it's perfect for gifts for friends.
